

The WILD World of Harriman State Park
July 24-25, 2023 -- 2 credits
9am-OVERNIGHT-5pm

Instructors:

Gregg Losinski (Gregg.losinski@vnsfs.com)
Chloe Doucette (education@museumofidaho.org)
208.201.5257)

Welcome to the WILD world of Harriman State Park!
In this hands-on workshop, we'll explore Idaho's wild places using the Project WILD and Project WET curriculums. This course includes an overnight stay in the Harriman Scovel Center, plus a trip to the Grizzly Wolf Discovery Center.

Credit Registration: Registration link will be available no later than the first day of the course should you choose to take this course for continuing education credit. **Credit cost is included with the class fee thanks to generous grant funding from Cross Charitable Trust.**

Course goals:

1. Educators will learn about basic ecological processes and scientific data collection.
2. Educators will explore east Idaho's specific wilderness and water resources to learn more about what makes Idaho unique.
3. Educators will explore how place-based learning can provide their students with relevant and meaningful learning experiences.
4. Educators will learn appropriate field techniques in the context of ecology.
5. Educators will create a plan to implement what they learned in their own teaching contexts.

What to bring:

This session requires you to provide your own transportation to and from Harriman Park and the Grizzly Wolf Discovery Center and will include an overnight stay at Harriman State Park's Scovel Center. Lodging will be cabin-like with modern bathrooms and beds. Space is very limited, so you will be required to share a room with another same-gender participant. 4 of the rooms offer two twin beds and 4 offer a queen bed set up. If you are able to sign up with a friend that you do not mind sharing a queen bed with, please make note of that in your registration or reach out to Stevie at programs@museumofidaho.org. Room assignments will be made as soon as the class is filled. If you are assigned a queen bed room and are uncomfortable sharing a bed, you can plan to pack an air mattress/camping pad and sleeping bag.

Pizza dinner on July 24th as well as a continental breakfast and groceries to make a sandwich sack lunch on July 25th are provided. Please bring lunch for July 24th, as well as drinks and snacks as desired. Also, on July 24th, we'll offer the opportunity to make S'mores and do some star gazing. Basic S'mores ingredients will be provided. Please bring any additional ingredients of choice.

What to bring (cont.):

- Transportation to and from Harriman Park and the Grizzly Wolf Discovery Center**
 - **Idaho State Parks Pass for your vehicle if you have one. If not, MOI will provide for your entry into the park.**
- Lunch for day 1, snacks, water bottle/ other drinks as desired
- Appropriate outdoor clothing or supplies
- Comfortable and sturdy walking shoes
- Binoculars, hand lens, camera (optional)
- Sunscreen, bug repellent, hat
- Notebook, pen/pencil
- Backpack or fanny-pack

Where to meet:

Museum of Idaho- Maeck Education Center entrance. (This is the old main entrance- look for the education center signage about half way down the block.)

Daily class schedule:

Day 1

Harriman Park (overnight)

Day 2

Grizzly Wolf Discovery Center

Course requirements:

- Full and focused attendance at each session.
- Engagement with the course content and other participants in the course.
- Professional and timely communication with the course facilitators and other course participants.
- **Assignment:** A unit plan about something you learned that will be useful in your own educational setting. (This should take roughly 6 hours to complete)
 - Due: Aug 1 (please submit to Chloe Doucette at education@museumofidaho.org)
- **Workshop Evaluation (required):**

To fill out an evaluation, participants can
